

Battery Digital Product Information

Battery Manufacturer:

Battery Trade name or Trademark:

Manufacturer Address:

Place of Manufacture:

Date of Manufacture:

Category: Portable Battery

Article number:

Product name:

Model Identification:

Batch or serial number:

(technical file need to be made per batch)

Is the battery rechargeable:

Mass of battery at time of manufacturing:

HENAN HENGYI LITHIUM ENERGY TECHNOLOGY CO.,LTD

HENAN HENGYI LITHIUM ENERGY TECHNOLOGY CO.,LTD

Building 3, Xinhua District, Industrial Park, Longmen Avenue, Xinhua District, Pingdingshan City, Henan Province

Building 3, Xinhua District, Industrial Park, Longmen Avenue, Xinhua District, Pingdingshan City, Henan Province

10/26

IMR 18650 1200mAh

Li-ion Cell

IMR 18650 1200mAh

10/26

Yes

35.9 g

Electrochemical composition:

Critical raw materials present in the battery:

If concentration is more than 0,1% weight by weight,

antimony

arsenic

bauxite/alumina/aluminium

baryte

beryllium

bismuth

boron

cobalt

coking coal

copper

feldspar

Enter the chemical name of hazardous substances found in this battery, in accordance with Article 18 of (EC) No 1272/2008.

IUPAC Nomenclature	CAS:
Lithium hexafluorophosphate	21324-40-3

Enter information about the drain application discharge tests that have been performed for this battery. For each test, you need to enter the name of the test, the resulting average battery duration, and an icon showing consumers the type of example use.

You can enter up to three tests:

Descriptive icon:	Descriptive icon:	Drain application discharge	Minimum average duration:	Unit of measure
other		0.1C (120mAh)	8	hour

Extinguisher agent fire class:

According to standard EN 2:2005-1 ,

Usable Extinguisher agent:

Class A (Solids)

dry powder

Separate collection symbol: This product is labelled with this crossed out wheel bin symbol in accordance with European Directive 2012/19/EC to indicate that it must not be disposed of with your other household waste. Due to the presence of hazardous substances, mixtures or components, electrical and electronic devices that are not subject to selective sorting are potentially dangerous to the environment and human health. Please check your local city office or waste disposal service for the return and recycling of this product.
